[Northern Bay College - Junior Development Day](#) 01/09/2016 - 01/09/2016 Geelong Motor Sport Complex

Pyrenees Rush.....

Since entries for the event opened up 21 teams have entered, with a strong presence of ARC spec cars & teams wanting to feel the rush.

Justin **Dowel** will be headlining the event, bringing his S2000 VW Polo (Can't wait to hear it at noise!), and Bendigo local Steve **Mackenzie** is back at the VRC with his G2 Ford Fiesta ST! Making sure that it's not an easy day for Darren **Windus**, the ever spectacular Will **Orders** has his Mitsubishi Evo and junior ARC Champ Glen **Raymond** his wrx!

If you're not a fan of the pop & crackle of antilag, there's 4 top shelf Ford Escorts, and some highly strung Datsuns heading into the mix - With a few weeks left for entries still, there's definitely going to be some hardcore awesome forest action on **Sunday 28th August!**

On the Officials front, the event needs a total of **72 officials** out in the forest, managing all of our controls and ever important road closures. So far they have **filled 21** of these spots, every pre-registered official will be going home with a nice memorable gift thanks to Leech's Mitsubishi, and Mount Avoca winery will be offering some seriously good deals at their cellar door - They understand the time commitment, and want to put back into the event for you all - Some seriously good deals coming your way!!

A few of the volunteers have also taken up the offer for event paid **camping at the Amphitheatre Recreation reserve**, which has some great facilities for use by those staying. Don't forget to book in early to get a spot.

The Pyrenees Rush still need the following spots filled with your help.

SS1 & 5 =	1 x Time Control, 1 x Start, 2 x Spec, 9 R/C
SS2 & 6 =	1 x Time Control, 1 x Start, 1 x Spec, 7 R/C
SS 3 & 7 =	1 x TimeControl, 1 x Start, 4 R/C
SS 4 & 8 =	1 x Start, 1 X Spec, 14 R/C

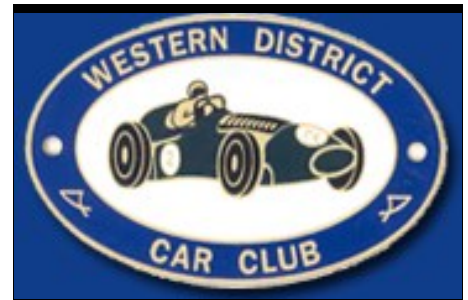

Finally most of the event route has access to mobile phone coverage, so the RallySafe timing system for results will be used. We all know you can track the cars, but now we'll have competitor stage times a few seconds after they cross the line.

So, if you want to feel the RUSH, and be part of the essential team that makes this event happen, make sure you send Cathy the Officials Co-ordinator an email (pyrenees.rush@ccrmit.com) or give her a call (0428 168 173)!
